

Pyramid of Giving

In order to guide chapter decisions, consider the P.E.O. Pyramid of Giving, a three-tiered pyramid representing the three levels of contributions—International projects, s/p/d projects and local chapter interests.

A chapter should consider their giving on these three priority levels. The base of the pyramid represents the largest portion of a chapter's giving and this should be to the International Chapter projects. The middle section of the pyramid represents the contributions to s/p/d projects. The smallest portion of the pyramid is the tip—the portion of chapter giving that is available for local chapter scholarships and other community support. Though the exact amount or percentage of giving may be different among chapters, the shape of the pyramid should guide chapter decisions and help to focus support on the projects that are the strength of our Sisterhood.
