

## Roster of Fall 2018 Colorado Cottey College Students

All Colorado Cottey College students have received scholarships made available by the generosity of gifts from Colorado P.E.O.s to the Colorado Cottey College Scholarship Fund (CCCSF). This fund is now part of the P.E.O. Foundation. Gifts for the fund can be sent to the Colorado State Treasurer or directly to the Foundation (see "Gifting to the Fund" for details and address). All chapters are encouraged to support these students either by adopting one for the entire year or sending periodic cards and care packages. If your chapter would like to adopt a student, please contact the Colorado Cottey College committee. Refer to the "Supporting Colorado Cottey College Students" page on this website for more information and to format the address correctly.
