

# Colorado State Chapter Encourage ~ Inspire ~ Reward

"May you find magic in the mundane, calmness in the chaos, strength in the stillness, and most importantly trust in the unknown." ~Moon Body Soul

**ded-i-ca-tion /,dedə'kāSH(ə)n/ noun**

1.the quality of being dedicated or committed to a task or purpose:"her dedication to her duties"

**synonyms - commitment, wholeheartedness, single-mindedness, enthusiasm, zeal**

I began my CO executive board journey in June 2015 and along the way have experienced so many fun filled events that have turned into warm memories, met new friends and solidified old relationships all which have given me a steadfast appreciation for our P.E.O. mission - educating women by encouragement, inspiration and rewards to numerous in their simplicities and diversities to even begin to give their due regard.

I do know that a lot of "heart" goes into each application, recommendation letter and fundraising occurrence along with the actual makeup of each chapter and the sisters that make each unique onto themselves. As I see my final 2020 destination point coming up ahead soon, I would like to send a special note to my fellow volunteers for their time and efforts - we all receive wages in the form of love, perks in the form of hopes and promotions in the forms of blessings, thank you for accepting these rewards by volunteering with all of your heart - you are appreciated!

And lastly, I would like to send my extreme thanks to the 2020 Convention Ft. Collins Hostess chapters; for their representatives who attended meetings, brainstormed and were planning for an all out, fun June event and to the ladies who stepped up as my co-chairs, Kathy Morgan and Sandra Lundt - the "dedication" meaning above describes all of these women completely - I could not have asked for more commitment, enthusiasm or zeal - Hugs and love to you all!

"...And though it's always sweet sorrow to part, You'll know you'll always remain in my heart...Here's a wish and a prayer, That every dream comes true.  
And now 'til we, meet again, Adios, Dobranoc, Auf Wiedersehen."

*Shari Fox wanted to share this special poem in memoriam of our sisters whom have passed during the time period of 3-1-2019 to 2-29-2020 (click on underlined for list of names) - This originated with Anna Mae Everett, Chapter GG Eternal - Anna was a good friend of Shari's mother in law and aunt of current CPCC board member, Susan Miller.*

Colorado State Scholarship Fund 2019-2020 Committee truly felt "The Heart of Change" as we were encouraged and inspired by the over 125 applications we received, and were able to reward 27 young women, scholarships ranging from \$1,000 to \$3,250.

We are encouraging chapters to click on either the underlined word above and/or check our CO website for recipient names; please reach out to a girl in your area, especially since this is such a difficult time for many of them with no actual closure from their high school years, and no graduation - this would be a prime opportunity to develop an ongoing relationship, smooth their transition into college and support them with notes and care packages.

Through the overwhelming generosity of the sisters of Colorado State Chapter these scholarships totaled \$81,750! That was amazing and we cannot even begin to thank you for your continued generosity.

The 2019-2020 Colorado State Cottey Committee is thrilled to announce that scholarships totaling \$75,540 were awarded to nine women who will be attending Cottey College in the fall of 2020.

Of these amazing Colorado woman, two will be freshmen, four are returning sophomores, one is a returning junior, and two are returning seniors. These ladies live all along the Front Range, coming from Arvada, Centennial, Colorado Springs, Denver, Longmont, and Ft. Collins, Littleton, and Pueblo. Names will be listed later this fall on our CO website.

Thank you, Colorado P.E.O. sisters, for your incredible generosity and consistent support of this scholarship fund.

#### Cottey Student Center Initiative Update

The Cottey Student Center Initiative is alive and well! As of April 29, \$2.847M has been pledged, leaving roughly \$350K to go before construction can begin.

Dr. Weitzel has indicated that, since this year's Founder's Day reunion was cancelled due to the virus, that next year there will be double the normal number of alums on campus. She has set a goal of having the Student Center completed by the end of March, 2021. The architects have indicated that in order to meet that timeframe, construction must start in July, 2020. Please consider helping Cottey meet its goal for the Initiative by July of this year.

I have prepared a short video presentation that you can view at your leisure. This is the same presentation that I have been making at local chapter meetings, until the hiatus. You can view it on YouTube: <https://youtu.be/JaYqXVY391Q>

Thank you to all Colorado P.E.O.s who have supported the initiative. If you are contemplating contributing to the Initiative, please do so before July.
