

Colorado State Chapter Knit Together in Sisterly Love to Promote Educational Opportunities

“Unity is strength. When there is teamwork and collaboration, wonderful things can be achieved.”

This quote reminds me of what P.E.O. means. With the abnormal world we are living in right now, it is good to remind ourselves of the strength we have in the Sisterhood with our unity, teamwork and collaboration! We are still achieving so much.

But don't you just want to HUG your sisters?! I am, however, thankful for Zoom and phone calls and really, just getting things in the mail! We on the state board are continuing to meet via Zoom and plan for upcoming Official Visits. They may look different than what we are used to, but we don't quite know yet as we haven't heard from International.

Although August 1st seems far away, International is diligently working on plans for P.E.O.'s reopening. Please pay attention to the following from a letter to s/p/d officers from Brenda Atchison, President of International Chapter. (Click on "letter" to read memo)

As we wait patiently for word from International, I would encourage you all to keep in touch the best way you know how with your chapter sisters. We should know more after LEAD in July. So, continue to spread P.E.O. love to your sisters and thank you for your understanding.

On a sad note, our Executive Treasurer, Joanne Johnston, submitted her resignation to the board. She has been our Executive Treasurer for 17 years and has kept things running smoothly for that time. She has some health issues that prevent her from continuing and she was very heartbroken to have had to resign. Please send her a card if you get the chance. Her address is 1801 Valley Forge Ave., Ft. Collins, CO 80526.

Stay safe and be healthy!
