

# Colorado State Chapter Knit Together in Sisterly Love to Promote Educational Opportunities

"The only way to discover the limits of the possible is to go beyond them into the impossible."

~Arthur C. Clarke -

Quote Courtesy from Linda Schreiber

**Pumpkin Spice (everything), It's Fall Y'all, Sweater Weather...** Well, these are the sayings that have greeted us for the past few weeks. It is also OV or Official Visit season in Colorado P.E.O. This year, however, it looks a little different. It is all Virtual. That is okay, at least we get to "see" our sisters! It is just that we cannot hug on you! A big thank you goes out to this wonderful Executive Board team and the Past State Presidents who are helping with Official Visits! We cannot do this without your willingness to help! Visiting 65+ chapters each year, we bring in reinforcements! Thank you!!!

**As P.E.O.** gets back into the business of meeting (whatever that looks like for your chapter), we are continuing to put forth the effort of seeking new sisters, reuniting with old ones and bringing it all together to provide educational opportunities for women! Keep up the great work!

**Thank you** to all of you who reached out to those sisters who are still active members of disbanded chapters (yes,

that is a thing...). I do hope that there were some who chose to join a chapter. Here are some new names for this month! Chapter P (Salida): Elizabeth Bevington, Barbara Snyder, Connie Forster, Peggy Arnett, Vicki Schehrer. Chapter AG (Denver): Suzy Wilger. Chapter BH (Del Norte): Rosalyn Mitchell, Nicolette Ann Becker, Kathleen Matray. If any of these sisters are in your area, please do not hesitate to contact any Executive Board Member and we will get you their information. Thanks for the help on getting these sisters reconnected to a chapter!

**Plans** are going forward for Convention 2021! We are told by International there WILL be a convention, just not finalized on what that will LOOK like! Stay tuned to see how we will be *Knit Together in Sisterly Love*.

We are always looking for that sister who would like to serve at the state level. Please consider your service to the sisterhood by being willing to serve on a state committee. Please read Kendy's note below!

### *Are you a Strong Stitch in the Pattern of our Sisterhood?*

If so, you should consider completing a Committee Application Form. Each year the Executive Board is looking for sisters to use their talents to assist the Sisterhood to grow and bloom.

Each stitch in the pattern of our State Sisterhood needs you so together we can "Knit Together Sisterly Love" and "Promote Educational Opportunities". Consider sharing your stitch. [Click here for an Application.](#)

*If you have any questions, please contact Kendy Cusick-Rindone, VP, CSC  
Email: [peopansy@gmail.com](mailto:peopansy@gmail.com)  
cell phone: 303-947-5123 (talk or text)*

I would like to say that Colorado has a wonderful group of sisters! There have been some loving stories about chapters staying in contact with their sisters during COVID-19. We need to continue to keep up the care as we begin meeting together. Please, if you have any questions, the Executive Board is just a phone call away.

**Drumroll.....**

Chapter JG of Montrose has successfully reorganized! On September 9, a ceremony lead by Dottie ruth, took place at the Home of ronda Steenburgen with sisters from jg and three new sisters joining them. Two were new initiates (via letter of affirmation) and one a transfer. We are all so excited for the future of chapter JG. Help us in sending your congratulations to Chapter JG.

Lovingly Knit Together~ Shari, Kendy, Paisley, Cori, and Patty
