## Charitable Corporation Connections Mid-February 2021

Welcome to February's edition of the CCC. The news in this edition is short and happily crisis-free!

We are receiving great feedback on our zoom meetings and we are now up to three completed sets of Q&As with a fourth in the works. You can find them all on the CO P.E.O. web site under CPCC.

Please take time to read the information we've published this year. Your delegate will represent your chapter at our CPCC annual meeting on **June 5, 2021 at 1 pm**. Prepare her to make informed decisions for the future.

Even our financials are delightfully dull this month! As always, [email any questions](#).

Much P.E.O. love from the CPCC board!

## AN OPPORTUNITY FOR OUR SISTERS

Three updated 820 sq. ft. one-bedroom apartments with wonderful views are available at Chapter House! One of them can be yours for only \$2800/month - meals and utilities are included. Eight glorious, wooded acres and a creek are also included! Would you love to live here? Do you know someone who would love to live here? Spread the word!

Can you volunteer assistance with marketing our rental rooms? If you or someone you know can help with advertising, contact [Jill](#).

## Chapter House Updates

\* The residents and employees enjoyed a Super Bowl party and a contest with prizes for picking the winner & combined score. Predictably, the winners didn't see the game and didn't even know who was playing.

\* In January, two residents moved to facilities offering assisted living options. This means there are now 3 vacant one-bedroom apartments. As a result, the board prioritized renting these 3 units before continuing the conversion of overnight guestrooms into efficiency apartments.

\* Windows and sliding door replacement have been completed, eliminating the risk of having non-tempered glass throughout the house.

\* The thirty-year-old boiler was replaced and the new one is functioning well.

\* Please contact [Cheryl](#) if you would like a copy of the financial projection report.

\* Abatement (safe removal) of asbestos in the Chapter House residence has been completed for the selected areas, and abatement in the cottage will be completed this week. Many thanks to Dunrite Environmental in Franktown, CO, who completed the work and donated quite a bit of labor and materials.

Many thanks to those who have called or emailed with questions for the CPCC board.

On Mondays & Thursdays at 4 pm, we are meeting with selected chapters via Zoom to discuss all things CH/MF/CPCC. Of course, we are bound by P.E.O. circularization rules in answering your questions. We meet with 10-15 chapters each time. Before our annual meeting, every chapter will have been invited. Attend and ask questions when your chapter is invited! [Jill](#) is arranging these!

Think about friends, neighbors, church members, or fellow gym rats during these trying economic times. Look for the application on the Colorado P.E.O. website under the CPCC tab - Marguerite Fund

Have questions? [Click here](#)
