**Instruction to chapter president: Please have this letter read in its entirety at your next chapter meeting.**

May 1, 2021

Dear Sisters,

Attached are the proposed amendments to the Bylaws and Standing Rules of Colorado State Chapter to be presented at the virtual 2021 Convention of Colorado State Chapter.

While we encourage you to read the attached amendments in their entirety, so that each member may be fully informed as to the changes that are being considered, at a minimum all explanations and rationales must be read. (NOTE: Since amendments considered seriatim are related and dependent upon each other, one rationale has been written for the entire group.) Proposed amendments placed in a block are not related and are housekeeping in nature and will be voted upon with a single vote without discussion. A copy of the proposed amendments will be made available to any member upon request or may be accessed on the state chapter website.

The Editorial Resolution would allow the state executive board to make editorial corrections to the bylaws and standing rules.

The attached proposed resolution was approved by polling of local chapters in 2020. It requires approval by a two-thirds vote at our convention before being presented for consideration at the **2021** Convention of International Chapter.

Because this is a virtual convention, any motions to amend an amendment, and any requests to pull an amendment from a block of amendments, are to be sent to the state president and the chairman of the Amendments & Recommendations Committee no later than 12:00 p.m. (noon) Central Time on Monday the week of convention in order to give them time to consult with the parliamentarian.

We urge you to discuss these proposed amendments in your chapter meeting so that members may express their views and opinions. After hearing the discussion on the amendments at convention, each delegate should vote as she sees fit.
