New Information from the Executive Board of International Chapter

The revised Overarching Guidance for P.E.O. Meetings and Gatherings Due to the COVID-19 Pandemic Emergency will gently lift some restrictions put in place in August 2020 by the Executive Board of International Chapter. Local chapters must turn to their local health authority and government regulations for specific guidance in their locale. Due to the COVID-19 pandemic emergency, the P.E.O. Sisterhood is still being governed during the remainder of this biennium using the Executive Board's emergency authority, which will stay in place into the next biennium until the Executive Board of International Chapter lifts all restrictions. We continue to look forward to the time when we can give each of you a gentle hug. Our love to you, Brenda, Patti, Cathy, Alix and Kay

Each Local Chapter President received the documents.
