Chapter House

On June 5th, the CPCC membership voted to close the Chapter House and sell the property at 1819 W. Cheyenne Rd. Colorado Springs, CO 80906.

We have four residents who are greatly affected by this decision.

Please consider your Chapter House sisters' well-being as you remember that finding a new home is stressful. The Chapter House continues to have payroll, utilities, insurance, and grocery bills during this time of transition. These sisters are our highest priority. Please contribute as you can to help us through these coming months. Click [here](#) for the donation form.

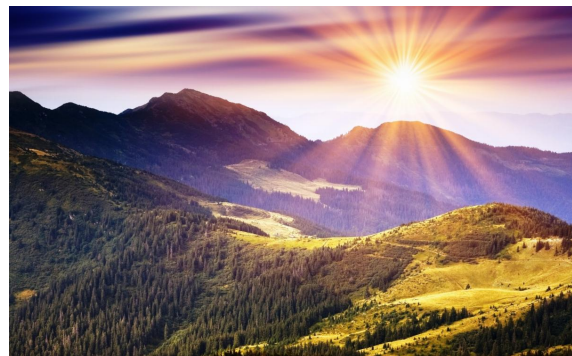

Marguerite Fund

The Marguerite Fund is continuing its support for 12 Colorado women.
We thank you for your contributions to the Marguerite Fund.

Chapter House

Vaccinated people may now enter the Chapter House without restriction.

However, we are still keeping a record of visitors to the Chapter House.
Contact the resident you would like to visit so she can arrange to let you in the door.

Thanks to all of our sisters and friends who have linked their City Market and King Sooper purchases to the CPCC. When you associate your card with **ES330** in the Kroger Community Rewards program, the company donates directly to CPCC.

“Even after the stormiest weather, a true warrior will still reflect the brilliant rays of the magnificent sun through both her eyes. You may get hit by sudden lightning or take severe beatings from the cruel wind, but you will always get back up and stand strong on your feet again, soak in the sunlight, and be prepared to get hit by even the most merciless hail - time and time again.”
~ Suzy Kassem
