

Chapter House Update

The CPCC Board of Directors is disappointed to announce that the offer to purchase the Chapter House property has been rescinded.

The property has been relisted and we begin the process again. Our realtor is working diligently for the P.E.O. Sisterhood to find the best solution for the sale of our beloved Chapter House property. The sale of Chapter House was approved by an overwhelming majority vote at the June 5, 2021 annual meeting of CPCC.

Keep in mind that everyday the Chapter House is still for sale the expenses still are incurred.

The Estate Sale will continue as scheduled on September 11th for P.E.O. Sisters only and September 12th for the general public. We encourage you to save the date and attend the Estate Sale.

The sale is being handled by the realtor and CPCC does not have an inventory of items to be sold, but we are told there are many. Come select your memento of the Chapter House. All reasonable offers will be accepted.

Owners of the Benches and/or Bricks should come on September 11th. Preferably later in the day.
