### News from Susan Strain Miller, W/La Junta, CPCC Chair

The process of selling Chapter House continues to go smoothly, and we should have closing of the sale by the end of December. This is heartbreaking for some and satisfying for many others. The buyer is elated, and I've been told they have a multimillion dollar plan for the property. We wish them well.

We continue to have unexpected expenses pop up that we are responsible for fixing and a couple recent ones have been rather costly. This is a gentle reminder that donations to the Chapter House are still needed and appreciated. Thank you.

We are sad to report the passing of two former residents. Jo Anne Majors, who moved from Chapter House prior to its closing and Susan Ellis, one of the final four residents at closing. The remaining three of the final four are reported to be doing well at this time.

The fourth quarter financials will be posted in January. You will find them on the CSC website then.

*Share The Care*

With the passing of Susan Ellis, we now have three sisters receiving Share the Care. If anyone is interested in sending Christmas cards or other notes to these sweet sisters, please email me [ssm4703@gmail.com](mailto:ssm4703@gmail.com) and I will share their address. I know they would appreciate hearing from you.

If you are interested in contributing to the Share the Care fund, your donation would help us continue to help our sisters.

## Colorado Marguerite Fund Trustees

---

The Marguerite Fund Trustees report they have 16 women receiving help in December and in addition these women also received Christmas Shower checks. The total assistance for the month of December is \$16,000. The trustees have approved two more women for six months of assistance and granted a one-time check for \$700.

The ability for the Marguerite Fund Trustees to provide this assistance for women is because of the generous support from our P.E.O. sisters throughout the state of Colorado.

A recent thank you note from a sponsor said she was “tearfully grateful and realizing more benefits of P.E.O., Women Helping Women.” What a rewarding project the Marguerite Fund is for Colorado P.E.O.s.
